We recommend Flexirent

Quick and easy to arrange

All approvals are conducted over the phone and take around 10 minutes.

Bundle all your IT needs together

By adding a few dollars to each payment, you can build your total solution to match your monthly budget.

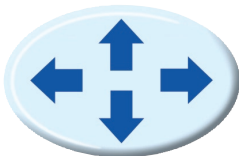

Update when your needs change

If keeping pace with technology is important to your business, Flexirent allows for an easy upgrade path when your needs change. Just call 0800 444 827.

Conserve your working capital

Flexirenting allows you to pay for technology as you use it rather than tying your capital up in quickly depreciating equipment.

More options at the end of term

At the end of the rental term you have more choices:

- Update to new equipment with a new agreement.
- Continue to rent - lower rates may apply.
- Offer to purchase some or all of the old equipment at fair market value.
- Return the old equipment - with no more to pay.
- A combination of the above.

Tax deductible for business*

Business users are typically able to claim up to 100% of their Flexirent payments. This makes final costs even lower.

Affordable monthly payments

There are no hidden fees. Just a small affordable monthly payment over the equipments useful life.

Flexirent or MiniLease?

Flexirent is a type of operating lease available for business customers. MiniLease is a hire purchase available to consumers and businesses where you take ownership of the equipment after you have completed all monthly payments.
